<b>Category:</b> API/Selenese	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Keywords:</b>	
<b>Description</b> Webdriver return values from evaluating JS are proper types now, not just strings. We should pass this on to gocept.selenium users instead of flattening it to strings.	
<b>Related issues:</b> Is duplicate of gocept.selenium - Feature #11628: Rethink Selenese API <b>Rejected</b>	

### History

#### #1 - 2012-11-16 08:13 - Wolfgang Schnerring

- Category set to API/Selenese

#### #2 - 2012-11-16 08:15 - Wolfgang Schnerring

- Target version set to 517

#### #3 - 2012-12-17 08:41 - Wolfgang Schnerring

- Status changed from Confirmed to Rejected

will be done in new API ([#11628](#))

#### #4 - 2012-12-17 08:42 - Wolfgang Schnerring

- Target version deleted (517)
