<b>Assignee:</b>		<b>% Done:</b>	100%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Keywords:</b>			
<b>Description</b>			
It would be nice if the command log of the selenium runner could contain an entry "running test_foo_bar" in between the Selenese commands, for debugging/informative purposes.			
There's the set_context() method that should do the trick.
